**“Tony McNulty is our
“Everyday Hero”**

Mukilteo Kiwanis honored Tony McNulty as their Hero of the Month, in a ceremony at The Pointe Restaurant, at the Harbour Pointe Golf Club.

“If there is one thing that makes “Pizza Man” Tony stand out as a Mukilteo Hero, it is his constant generosity with the entire community.” Tony gives and gives; his Papa Murphy Pizza, money and most of all his time. Over and over he gives to the Boys and Girls Club, Cocoon House, The Chamber, Kiwanis, Kamaik High School, both middle schools, Lighthouse Festival, various athletic clubs, and gives both time and money as a Board member of the YMCA. He has touched so many in this community that his recognition was long overdue.” Congratulations, Tony...you’re the best!

President’s Message

**“Unless commitment is made, there are only promises and hope;
but no plans.”**

-Peter F. Drucker

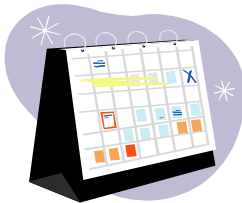

We have the “growth mindset” to do great things this year. It is a powerful reminder of the incredible work that we, as Kiwanians, accomplish every day. Your dedication is the driving force behind the critical, lifesaving projects that Kiwanis supports to brighten children’s futures here at home and around the world.

Kiwanians change children’s lives for the better every year, thanks to your commitment to developing plans and putting them into action. Special thanks to the members who attended the Harvest Festival at Mariner. Those children will remember that positive experience! The Mukilteo Food Bank is also grateful for the donations of cash and food.

There is much to be thankful for; stop, think, and reflect on the many blessings we have been given! Happy Thanksgiving!

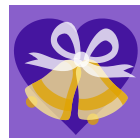

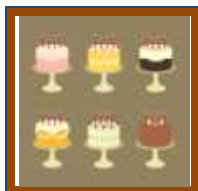

Judith

Guiding Principles

Kiwanis members are guided by these key principles:

- To give importance to the human and spiritual rather than the material values of life.
- To encourage living by the Golden Rule.
- To promote higher social, business, and professional standards.
- To encourage and be servant leaders.
- To build Kiwanis clubs that build lasting friendships and serve and strengthen local communities.
- To promote justice, patriotism, and goodwill.

Student of the Month

Rachel Bervell

Rachel is a junior at Kamiak High School and has been a member of the Key Club since her freshman year. Rachel is a perfect example of the type of young person the Key Club attracts to advance its goals. Some of her community service include child tutoring, academic coaching (peer tutoring in 10th and 11th grades), Sunday school teaching, volunteer work at Swedish Hospital and ushering at St Mary Magdalen Catholic Church. She is founder and CEO of *Hugs for Ghana* and has registered the name as a non-profit organization to annually collect gifts for orphans in that historic part of Africa.

Rachel has taken 11 Honors and/or AP classes YTD and projects 16 by graduation. She holds a 3.9 GPA with a class standing of 35 in a class size of 554. As result of her high academic performance, she is a member of the National Honor Society in 10th & 11th grades, recipient of the Lamp of Knowledge Award two years in a row, Kamiak Student of the Month in February 2006 and received the Academic Achievement Award in March, 2006.

Rachel is Secretary of the Multicultural Club, Secretary Treasurer of the Math Team Club, French Club member, ASB Student Representative, Psyche Council Chairman and Link Crew member running for club Secretary. In her spare time she is soloist with the True Life Youth Choir and takes piano lessons to sweeten her tone. Obviously Rachel has earned a solid reputation among teachers and peers at Kamiak High School. Here are some shared comments:

Susan Farrar, Honors English teacher and former Key Club Advisor: " I would say that Rachel has the kind of enthusiasm for life and for service that cannot be matched. The great big smile is infectious and she is the kind of person others love having around. You can almost see the wheels turning in that beautiful brain of hers and you want to "go with her" because you know it's the way to better things. Rachel is an important person today, but watch out world! She is only going to get better!

Kathryn Noonan, English & Dance Teacher:" Rachel spearheaded the drive for teddy bears and other stuffed animals for African orphans last spring. Her family flew to Africa to personally deliver the toys. She is one of the most generous, caring, and thoughtful people I know."

Marsha Coffelt, French Teacher: "Though I haven't known Rachel long, she is a pleasure to have in class. Always a smile to greet a teacher and she can be depended upon to do her best work. Congratulations, Rachel. The honor is well deserved."

Rachel's ambition is to become involved in pediatrics, a branch of medicine dealing with the development, care and diseases of young children. Her choice of careers blends perfectly with the Kiwanis goal of *Serving the Children of the World*.

New Member Profile

Janice Tuttle

When Janice Tuttle moved here six years ago from Boise, Idaho she had a goal to get back to the coast. Prior to living in Idaho her home for twenty years had been in Connecticut.

With a successful career in teaching behind her, she decided to go into business with a tutoring company. Janice started Sound Tutors specializing in math and working out of her home or at the student's home.

Janice's interests include walking, hiking, and travel. Visiting her three children who live in various parts of the world has been especially exciting. They live in Egypt, France, and Senegal and Janice has enjoyed her trips to see them.

Janice said that Daphne was very helpful in getting her business started and brought her to visit at a Mukilteo Kiwanis meeting. We are glad that she found her way to Mukilteo and has become an active member of our club.

Have you invited someone to Kiwanis lately?
