### MARK PETERSON OF E.S.F.

Mark provided us a wonderful program, e.g., the fairgrounds brings \$24.7 million to the Monroe area each year, it has 20 full time employees (& many P/T too). It brings 19-20 thousand exhibitors from all over the region and awards \$165,000 in prize money. The fairgrounds receive NO taxpayer dollars and continues to operate as a non-profit organization!!!

## INTERNATIONAL CONVENTION DELEGATES REPORT

(Second of 2 parts from Sharon & Terrance, excerpted from their report of Convention)

Sharon & Terrance had a very nice condo to stay in while in Honolulu, the corner room gave them a view of the mountains, the golf course and waterway. Groceries were not far away, so they were able to make the most of their kitchenette. It seems they were in walking distance of the International Convention site, and did so often. One visit to the neighborhood "Hard Rock Café" was enough; good food, but noisy!

They were joined by Rod & JoAnn Vroman for the luau, where a short program was followed by good food and company. It WAS the 4 of July and fireworks were served early...too early for some.

Visiting Honolulu means walking; and our delegates spent 3 days walking round town. Then there was a tour of the pineapple plantation, the tours of the battleships USS Arizona and the Missouri...(ed: yep, that's where she went when she left Bremerton). Sharon & Terrance had lunch on board her in the Harry S. Truman chow room...(ed: Do you remember anything like that while she was in Bremerton???)

And there are stories about the Sugar Plantation night...roasted pig in the ground, dancers, wagon rides, tours. In their words, "it was a real deal". And the Vroman's were there, too.

Some other places we should all keep in mind when we go to Hawaii are tours of gardens, the grand canyon of the Pacific, boat rides to the Fern Grotto and lots of good food.

Last time, you heard of all the business of the convention....before it came out in the national monthly...and this time we thought you'd enjoy hearing about the fun opportunities....AND

DON'T FORGET OUR NEW MOTTO:

**"Serving the Children of the World"**
