Believe it or not...

The more muscles you have, the more calories your body will burn – just sitting

down, doing nothing! Two pounds =100 calories a day to carry around.

FIREWORKS ARE FOREVER

We see fireworks flashing in the sky, we hear the loud reports of boom and ka-bam. The dog runs to hide and the old grouche mumbles, “What a waste of good money!” and turns down his hearing aid. I love a crowd that sees and hears the fireworks display and give a throaty “ooooooooaaaaaoooooooo” as the colors rise and fall amid guided missiles of delight.

Fireworks are a part of our heritage; remember the national anthem’s phrase “and the rockets red glare, boom bombs bursting in air”? Francis S. Key was watching a bombardment when he wrote those lines, but we celebrate similarly today.

And afterwards, there’s a quiet and pile of rubble we only experience once a year. But it doesn’t end there; no sir, it’s just beginning to make a difference.

Monroe Kiwanis sells safe & sane fireworks each 4th of July week. All the profits we can earn go to Monroe High School seniors bound for college, e.g., this year we’re giving \$4,800. to four of the finest young future leaders any nation in the world would be proud to call their own. This is our way of helping them create their new beginning and what they do, the lives they touch and the decisions they help to forge will be with us and our children, and more children for years to come.

Someone once said, “If you change the life of a child, you change the world”. WE DO IT WITH A BANG!!! For the 28th year, this year.

Our fireworks sales help change a young person for the greatest good, and we’re changing the world as a result.

Yes Fireworks are Forever; forever to the aid of young Monroviens and our descendents. Buy KIWANIS fireworks and help us make a better world, one young person at a time.
