**MONROE SAYS 'GOODBYE'**

Monroe said 'goodbye' to one of its  
favorite sons 10 days ago. Fred “B-17”  
Rosenzweig flew off over the horizon on  
June 6. Fred was a regular luncheon  
partner for all and we will miss his cheer  
and funny stories. A dozen Kiwanians  
attended his Memorial Service (in club  
jackets), extending our condolences to  
Marie and Fred’s large family.

**TODAY’S PROGRAM:**

The Valley General Hospital Foundation  
will provide us an update to their needs  
and achievements. We give each week a  
portion of our luncheon costs to the  
Foundation for its fine works.

### REMAINS OF FATHER'S DAY

When he says:

"You better not let your mom hear you say that!".....

he means:

'I'm too tired to discipline you for a small infraction like a cuss word, esp. since you probably learned it from me. Just don't try it in front of your mother, or we'll both be sorry!'

### FIREWORKS FOR GOOD WORKS

Our theme for this year's Fireworks Sale emphasizes the goal of the project...

**Good Works.** The profits earned from our 7 day sale go to fund the College Scholarships we give to MHS seniors of merit and commitment each year.

Fireworks are a part of our heritage; education is the foundation for the nation's future via the lives of the young. Private scholarships, like our own, are critical for students, in part because of the flexibility they offer to assist those we know who have real needs, and skills with determination. When we give a scholarship, we are saying to this person:

**"YOU have the potential to make it, and we want to help YOU!"**

and 'it' is a real difference in the world that addresses our mission. So, we have appointed four new emissaries into the future this year, with resources **we must earn in the marketplace next week.**

**Make you proud? We do GOOD Work!**
