## Lake Stevens – January Newsletter

### Happy January Birthday to:

Gary Wolfe

### Happy New Year!

Each New Year seems to start out slowly which is a good thing after the hectic pace of the Holidays. It is a time to slow down, reflect on the past year, and catch our breath in preparation of another year filled with service projects to help others in our community!

Even though January is a slow month for our club, there are some fun events coming right around the corner!

### Did you know?

The name “Kiwanis” means “we trade” or “we share our talents.” It was coined from an American Indian expression, Nunc Kee-wanis.

Kiwanians are volunteers changing the world through service to children and communities. Kiwanis members help shelter the homeless, feed the hungry, mentor the disadvantaged, and care for the sick. They develop youth as leaders, build playgrounds, raise funds for pediatric research, and much more. No problem is too big or too small. Why? Because working together, members achieve what one person cannot accomplish alone. When you give a child a chance to learn, experience, dream, and succeed, great things happen!

- Through guidance and example, Kiwanis works to develop leaders of all ages and at all levels from elementary school through college and beyond.
- Kiwanis is about developing personal leadership skills that can lead to life-changing service – at home, at work, at school, and in communities worldwide.
- Kiwanis is empowering youth to become competent, capable and compassionate leaders. through programs that teach character development and service leadership.
- Kiwanis will extend its 90-year legacy of service for children and communities by passing on the ideal of service to tomorrow's leaders.

### Thought for the day

It's not how much you do, but how much love you put into the doing that matters.
