Kiwanis One Day – April 5th

Kiwanis wants to see double on Saturday, April 5, 2008. That's the day set aside for the second annual Kiwanis One Day, a day for every Kiwanis club to join with the rest of the Kiwanis family, K-Kids, Builders club, Key Club, Circle K, and Aktion Club in united service. Kiwanis One Day made a successful debut this past April, with more than 600 clubs participating. Kiwanis International wants to improve its service vision by doubling participation in 2008. More clubs participating means more communities and children being served" says International President Dave Curry. Kiwanis One Day is a unique opportunity to unite the Kiwanis family of service and call attention to Kiwanis in every community.

The Six Objectives of Kiwanis

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business, and professional standards.

To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

Happy Valentine's Day!
