Relay for Life Facts

Our Team is currently in 5th place with \$1,768.15!

Bring tents to Relay – we will have our own campsite! Plan to stay the night!

Want to experience something very special? Plan to be at Relay for the Luminaria ceremony which takes place around 10pm on Saturday night. At this ceremony, thousands of Luminaria will be lit to honor those who have been challenged with cancer. The Luminaria will light the way as we walk thru the night.

Do you want to honor someone with a Luminaria? See Tracy for more details.
