29 From Division 22 on hand for Zone Conference Stan Jones of Snohomish Tillicum Elected next Lt. Governor

Well, all the hard work and planning paid off as over 200 Kiwanians turned out in Mount Vernon on Saturday, March 18 for the annual Zone Conference. I am proud to say that 29 from Division 22 were on hand and that all six clubs were represented. One of the highlights of the day was our Division 22 Caucus. A primary goal for any Lt. Governor is to make sure a qualified individual is in line to take over at the end of his or her term. Another goal is to have the next person in line as well. Success on both counts as Past Lt. Governor Stan Jones of Snohomish Tillicum was elected to serve as our Lt. Governor for the 2006-07 year. Elected as Lt. Governor Designate, to serve during the 2007-08 year was Mr. Wally Walsh, a member of both Snohomish and Snohomish Tillicum. It should be interesting to see how we work out the banner for the home club of the Lt. Governor for that year?? From the initial feedback on the conference I believe most were pleased with the various seminar offerings and I know I enjoyed the lunch and the musical entertainment and the talk by Governor Steve Emhoff. It was a great pleasure to

be the one to present Governor Steve with a small token of our appreciation for the work he is doing this year. Steve is an avid Harley owner and rider and seemed quite pleased with his Harley hat, music, shirt and watch. I would like to thank VP Billie Swengel of Lynnwood for serving as opening session MC as Lynnwood was the host club. In case you were not aware, you can get interclub credit for the Lynnwood opening session (except the Lynnwood Club) and for the White Rock, BC hosted lunch and the Anacortes Noon hosted closing session. I picked up some good ideas on effective club meetings at one seminar and learned about many exciting club projects in communities around our District at another. Governor Steve was very open and honest about his concerns regarding the report of a Kiwanis International Committee looking at possible ways to restructure Kiwanis to allow for growth to the goal of one million members by our 100th anniversary. If you want to learn more about this or discuss it at our next Division Council, please let me know.

Governor's Burn Project

I received a check today from the Snohomish Club for their contribution to the Northwest Burn Foundation as part of the Governor's Project for this year. I know some clubs sent their donations directly to the Burn Foundation. I would appreciate an e mail or note from each club secretary or treasurer letting me know exactly how much your club has contributed. If you have not done so, as yet, it would be greatly appreciated if you could get your Board to ok it ASAP and get a check to me so our Division total can be reported and sent.

Club Leadership Education

One of my first tasks last year as I began my Lt. Governor work was to coordinate our Division 22 Club Leadership Education session. We teamed up with Division 21 to the north and had a great training session at Lynnwood Fire Station. I thought it was well attended and went pretty well. Well it now looks as if the program will change. The challenge of providing quality trainers to attend so many sessions all around the District was just to great. It was decided that Club Leadership Education should be done much the way our Zone Conferences are done. This means that the same Divisions from BC and Northwest Washington will meet together for CLE. This first year it will be held in BC. While this might make for a longer trip, it will hopefully make for a bigger and better training session for our incoming club officers. I hope this year's team of leaders will highly encourage those who are to follow to attend their training to better prepare for the year ahead. Here is the announcement from the Lt. Governor who will coordinate the event.

I wish to confirm that CLE training on a Zone basis will take place Saturday June 17 commencing at 9:00 a.m. and normally lasts until 4:00 p.m. Light lunch will be served and early morning coffee, tea, and snacks will be available. This is mandatory training for all incoming officers and serves as a good refresher for all continuing secretaries. It will be held in Tsawwassen, BC just 20 minutes north of the border at Peace Arch. This is advance notice to circulate to your clubs full details including costs, directions, and registration forms will be distributed in the near future.

Division Council Meeting

Thursday April 13, 7 PM

Most of our Division Leadership Team was in attendance at the Zone Conference in Mount Vernon and are well informed and up to speed and yes it is a very busy week for those involved with church or synagogue but I cancelled our last Division Council and do not want to let that happen again. Our friends from the Snohomish Club will be our hosts. Agenda items will include reports from each club on upcoming activities, Governor's Project results to date, Annual Meeting and election reports, and International and District Conventions. Please spread the word and get your members to come along, especially any newly elected officers preparing for the year ahead.

The Division Council Meeting will be at:

**Sunrise Assisted Living
 1124 Pine Avenue
 Snohomish, WA 98290**

Six Month Scorecard

As I write this issue we are right at the half way mark of our Kiwanis year. It seems hard to believe that 6 months have gone by but it is also hard to believe that we have six months as leaders ahead of us as well. We have elected our next two Lt. Governors and I have written about the Club Leadership Education to be held in June for the next leaders of our clubs. This does not mean we are about done. What it does mean is that to effectively run our clubs and our division we need to be sure our newly elected officers start preparing early, learn from the current leadership and plan ahead.

So, how are you doing with your goals?

- Membership up or down?
- Meetings effective and with programs?
- Projects planned and ongoing?
- Fund Raising planned or done?
- Annual Meeting and elections ready?
- Budget on target?
- Committees at work?
- Interclubs being held?

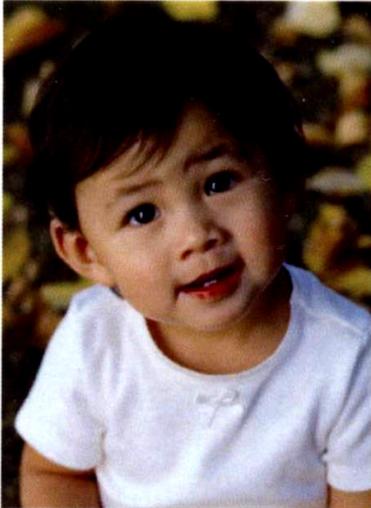

This month's video message from President Steve deals with the need for more leaders as Kiwanis grows. Leadership is "Positive Influence" utilizing Vision, Passion and Enthusiasm.

Lets stay focused for our next six months.
