### **BITE YOUR TONGUE!!!**

Beginning in January, lunch will be a bit more dear. Your Board has been wrestling with this for some time and now, it can be told. Lunch will cost \$8.00 beginning in 2005. We've enjoyed the benevolence of VGH long enough. Even if it's only soup & sandwich, we know it'll be good soup and a hearty sandwich.

And we must remember, it's not just the food, we also have the best space in town, where we have generous parking, can store our banners, and Norma serves up a smile with each plate.

### **TODAY'S PROGRAM:**

Dr. Mark Judy, Director of Valley General. He will share with us more of the changes in Health Care we need to be aware of and can benefit in knowing. In the meantime, we should be washing & scrubbing those flu germs away.

### Our Wonderful PROGRAMS

We continue to have excellent speakers for our luncheon enrichment and entertainment. Jessica Horkey...such a well spoken young lady, and good things to say, too. Her column appears each week in THE MONITOR. She brought quite a league of followers, don't you think? Did anyone pass out some brochures and invite em to come join us????

And there was the Chamber of Commerce's Neil Watkins, filled with ideas, challenges for local businesses and the political community. WSP Officer Greg Heider gave some good ideas of how NOT to get involved in Road Rage or Ragers of any kind, I think.

Thanks to all who have honored us with their gift of presentation and the sharing of experiences that one can only get by doing...and we can't do everything, can we?

### Special Thanks

The printed editions of this newsletter are due in large part to help from my wife/partner, Liz!!!! She took charge of production & delivery...thank you.
