TODAY'S PROGRAM

Kinder Holdaway, spokesman for the 'Eagle's Wings' is our speaker for today. We should learn something new, too!

Recent Program Successes

We have heard from the YMCA, Bill Prinoveau (Supt. Of Education) and RSVP during the past several weeks. Where Ron finds these excellent programs, and even makes up for sudden changes, is amazing!!!

DON STEFFEN LOSS

Last time, we reported Don's 7 Blue Ribbon wins at the Evergreen State Fair. Today, we must report his loss; one of the outbuildings on his farm burned several weeks ago and with it went some valuable artifacts he and Elma gathered together. No one was hurt and Don

got the car out before it was too late. We're sorry to know of the loss, but happy that Don & Elma are OK...if not well, considering the loss of memorabilia! The blue ribbon cows? They're OK too...they were out in the pasture!

SECRETARY FOUND

Our trusted Secretary, Jessica, is now on assignment on the slopes of Utah for this winter. We have a volunteer to keep the records straight while she is away. Rumor (and that's all it is) has it that either Torrence or Sharon (or perhaps both/together) are our "Step-Up" Secretary. Thanks a-bunch!

SCHOLARSHIP UPDATE

We received a very nice letter from an official at Seattle Pacific University, where we sent scholarship funds for Stephanie Dunlap this year. It included the following...

"It is no longer possible to fund one's college education through part-time work alone. At minimum wage, today's

student would have to work 70 hours a week to make ends meet.

"The Kiwanis of Monroe Scholarship grant is a gift of time. You have freed Stephanie to spend fewer hours paying for an education and more hours benefiting from it."

KLASSIFIED: FOR SALE

Two slightly used (but very contemporary cash registers), hallmarks of our 2005 Firework's Sale. Each has less than 100 hours on it, has been functionally tested under real-life, survivor conditions and should be worth \$250. to the club. If you or someone you know can use these cash registers, contact Paul at 794-4410 or via club e-mail. The funds from the sale will go into the Scholarship Fund.

FLYING HIGH & LOW

A Boeing 777 touched down on the runway after a long flight, guided by an electronic landing system, with hardly a thud at all. Seconds later, the engines roared with reverse thrusts and a voice from the cockpit was heard:

"**WHOA**, Big Fellow, **WHOA**....auhhhh...
COME ON...!! **WHOA** Dammit!"

BETTY FROHNING HONORED

The Women's Legacy Project of Snohomish Co. honored Betty for her contributions to the success of this community and women's history. Betty's story of farm life is an inspiration to women today, who also have to cope with immense societal change as they attempt to raise their families. She and Elmer raised seven (7) children.

Congratulations, Betty!!!!
