LET'S TALK GOLF

The golfing season is complete. How do we know??? The Monroe Tournament was last weekend and a tremendous success. Over 70 golfers enjoyed sunshine, cool temps and each other thru 18 holes of thrills and spills. Everyone was 'in' by 12:30 and the eating was on!!

Jim Bloss had all the recordings; who set new records (or tried to) and who just tried to keep up!!!! He gave out prizes to say both thank you and congratulations. And since then, he has been passing round compliments and kudos to all who helped make it happen, e.g., Marian and George Stocker, MaryLou and Bill Kennedy, Marie King, and some mysterious guest chef who cooked burgers, dogs and fried onions & peppers with reckless abandon.

If you golf, mark your calendar for mid-Sept. '06 for another big event. Everybody had fun and we'll do it again!!!

INCOME TAX ALERT

Certain changes in the rules for qualifying children and relatives as dependents may come as an abrupt surprise to those who don't plan ahead. Those particularly vulnerable are persons whose filing status for '04 was as Head of Household, based on any non-related children.

Contact your local tax consultant if you think you might be affected, or tell anyone whom you think might benefit from this alert.

FLAGS WERE OUT ON SCHEDULE

A quick note of thanks to all who helped with flags on Aug. 27th and Labor Day. Jerry, Gordy & Bill start early; some of us just ran down the street trying to keep up, flags in hand. The guys & gals of the Grange really make a difference that everyone appreciates. Thanks ALL.
