**Leadership in Difficult Times**

Leadership is always important, but it is especially critical during a crisis or when things are tough. As the world struggles thru challenging financial times, now is the time for Kiwanis members to step into the gap and provide strong leadership to their clubs and members. Finding creative ways to retain members and gain new members, finding new ways to grow when others are hunkering down to ride out the storm.

So remember this is membership month, and it is also election month.

" OK, you can go fishing."
