Presidents from Kiwanis International Remark on Tsunami Disaster

...excerpt from the Kiwanis International website

"The Indian Ocean tsunami is the largest natural catastrophe in living memory, and Kiwanis is committed to be part of the humanitarian response," says International President Case Van Kleef.

"Kiwanis clubs in the disaster areas have communicated with the International Office and identified urgent needs. The Kiwanis International Foundation's Disaster Relief Fund is the best way for Kiwanis clubs to answer these appeals. Kiwanis funds will target the immediate and long-term needs of the many children who have been injured or orphaned by this tragic event. I encourage every club and Kiwanian worldwide to participate in this vital relief effort"

"The Kiwanis International Foundation has received numerous messages of concern for the well-being of those distressed by the recent tsunami and typhoons in the Asia-Pacific region," says Foundation President Ralph E. Wilson Jr. "Consequently, the Kiwanis International Foundation Disaster Relief Fund will be used to aid children affected by the devastating disasters.

"Our Foundation will be working through the districts and clubs within the affected areas to ensure that contributions will be directed to children with the most immediate and critical needs.

"Many of those expressing concern also ask if there is anything they can do to help. Contributions are being accepted. Please send your support to the Kiwanis International Foundation Disaster Relief Fund, 3636 Woodview Trace, Indianapolis, Indiana 46268, USA Our thoughts are with the countless individuals suffering because of these natural disasters," President Ralph says. "Please join us in serving the children who are truly the most innocent victims of severe tragedies."

President's Memo

My first three months have been an adjustment for me to be addressing a group of people, but thanks to our group, it has been a fun experience. I do need help from members in regards to the committees. I will start calling on members of each committee to update the club on any new activity each week.

A big "THANK YOU" to the efforts of many club members, we labeled and distributed dictionaries to Cascade View and Totem Falls 3rd grade classes; co-sponsored the Spaghetti Feed; started a new fund raiser of selling Kick-N-Power batteries, though many of us "FROZE OUR BODS", but with the weather getting better, we WILL be out in force; we put together our first ever calendar project, that I think went over quite well; the group effort of helping at the Food Bank all year with special emphases during Thanksgiving and Christmas times and removing soup labels that will be given to the elementary schools for their "LABELS FOR EDUCATION"; working on setting up help for "HUNGER IN SNOHOMISH"; pledging monies to the Snohomish Senior Center over the next three years; working with the City of Snohomish in regards to Ferguson Creek and the Freshman campus and the Hill Park house. I also want to thank our members for their help to Doris, enabling her to do so much for the children in making book packets, school supplies, and warm clothing for those in need.

We are glad to welcome into our club Beth Greenlee on 11/29/04 and will be inducting another new member on Jan 31st, Melody Beckdolt.

I am sad in the passing of two of our long time members, KENNY REED 9/26/04 and TOM WOOD 11/7/04. Both gave of their talents and time, and will be very much missed.

I am looking forward to the coming months of fun and work with the club.
