

Message from our President:

Special thanks to Dorothea Forrest for her long and steady service as editor and publisher of "Tidal Tales". Her diligent efforts to inform and keep us focused are appreciated. We will certainly miss her insights and humor... "Hugs are in order!!!"

At our last board meeting we had not yet found a new editor for our Tidal Tales. Lo and behold, out of the fog of confusion came this knight in shining armor. He raised his sword and said, "I will edit and publish, my liege, but just until a real editor can found". He raised his visor and lo it was our Paul Jacobson. Let's all shake his hand and give our "Thank You".

President Ben

Founders Day Luncheon:

This was a special time of celebration and recognition for our club and was held at the Club Hollywood Casino.

Following "social time", we were served delightful, delicious and ample meals. Elwin had some well deserved words for Past President John Rutter (and his wife Ann) for their leadership and work on the very successful calendar fund raiser. John, gracious as always, deflected the praise with awards to the calendar project team.

After Ben recognized the club's past presidents, John passed out Distinguished Service Awards to Don Williams, Dorothea Forrest, Clayne Leitner, Dick Lunstrum, Buck Weaver, Billy Joe Roberts, Shirley Elliot, and George Deardorff. Perfect Attendance recognition went to Jim Buchanan, Dorothea Forrest, Clayne Leitner, Ray Roe, Ray Olsen, Billy Joe Roberts, Ben Snowdon, Elwin Wright, and the record holder, Don Williams with 33 years. The Kiwanian of the Year was Elwin Wright, who humbly stated that he was... "Just doing the job that every Kiwanian should be doing". Words that we all should reflect on.

SPECIAL THANKS to Ray Roe for all his work in setting up this event. We sure enjoyed it.
