## PNW Governor Steve Emhoff's 2005/2006 Three Prong Project

From The PNW District Web Site

- Each Division is to support one (or more) child to a burn camp at the cost of \$1,500.
- Each month each club in the PNW District is to award the "Everyday Hero" award to one (or more) Firefighter, Police or citizen who has saved a life or helped someone, no matter how small of a gesture.
- Make quilts (3 X 5 lap blankets can also be crocheted or knitted) or donate material so quilts can be made for each burn survivor at camp.

The Governor and as many Lieutenant Governors as possible will present the checks to the Burn Foundation.

## Kiwanis floats in Pasadena

Jan 11, 2006 From Kiwanis International Web Site

Kiwanis International has a long-standing tradition of presenting a float in the annual Tournament of Roses Parade held prior to the NCAA Rose Bowl in Pasadena, California.

January 2, 2006 marked the 20th consecutive year that a Kiwanis float has been entered. It's theme this year, "The Magic of Reading," fits well with the Kiwanis International motto, "Serving the children of the world."

### Quote of the Day

**Administrators meetin' in Texas**

**Jan 9, 2006** From Kiwanis International Web Site

District administrators from the entire Kiwanis family—Aktion Club, Circle K, Key Club, K-Kids, and Builders Club—along with district leaders for Key Leader will attend a conference at the American Airlines Training & Conference Center in Fort Worth, Texas, January 12-15 for orientation and training. This is the first time all administrators and district leaders will meet together at the same time and location. The 200-plus attendees will meet and greet new administrators and district leaders , then get down to business.

The conference offers a great opportunity to learn about the Kiwanis family, network, and share ideas.

But the weekend won't be all about meetings. Several outstanding keynote speakers will share motivational and educational messages, and special events are planned for a memorable weekend.
