Dictionaries Distributed by Tillicum Kiwanis

February 21, 2006 John Bruce

Once again, the Tillicum Kiwanis Club went to a Snohomish Elementary School and donated dictionaries to each student in the third grade. This year it was Totem Falls Elementary School and Doris Wentworth, Sonia Rahm and Wally Walsh had the honor of handing them out. The students are always so responsive and excited when they get them, they immediately start looking through them. Doris, Sonia and Wally demonstrated how to find a word and also went through some of the other information that is available in the dictionary. This was done as a game with some clowning around so it was a fun time for everyone involved as can be seen by the sample of the thank you letters we have received back from the children shown on the following page.

President Steve launches 'Kiwanis Angels' program

March 1, 2006 Kiwanis website

Kiwanis International President Steve Siemens recently launched his "Kiwanis Angels" program that asks governors, lieutenant governors, and club presidents by donating to the Kiwanis International Foundation at the Hixson level (US\$1,000) or more to establish a permanent endowment in honor of the leadership class of 2005-06.

Donors not only will receive a Hixson medal, but if they complete their gift by December 2008, they will receive either the "Halos of Joy," "Arms of Service," "Touches of Hope," "Wings of Sacrifice," or "Miracles of Love" pin, depending on the level of their participation.

"We are an honor class," says President Steve. "We have a special opportunity to set a pace and pattern for all others to follow. I want Angels!"

Check the Kiwanis International website for more information.
