A Wonderful Evening Out

The Delta Foundation held its Annual Volunteers dinner at St. Michaels Catholic Church main recreational facility. Many Tillicum attended and enjoyed the music, DJ and jocks as well as the fantastic food. I would like to thank our hosts, Wally, Chris and Donna, as well as the entire staff of Delta, on the behalf of all the Tillicum who were lucky to attend this special treat.

Not only was the food so good that many Tillicum members decided they wanted to eat lunch at Delta after our weekly meetings the entire event made us realize how important volunteerism is. As Kiwanis members we already know the rewards of being a volunteer but rarely do we tell others as eloquently stated by Wally and the pianist/singer at the dinner; we all should do so.

Thank you Donna, Wally, Chris, thank you Delta residents and staff for a wonderful evening. Jim Rahm and the Snohomish-Tillicum and guest

Interclub with Jack & Bill? Who Knew!

Hey! How do these guys plan their Interclub, this looks more like clubbing to me. Well it would seem that the "dynamic duo" planned a 7:00 AM interclub at Stanwood-Camano and a second at Everett, Golden K at 10:00 AM then, in between planned a stop at Arlington. OOOHHH NNNNOO! Not the Kiwanis Club of Arlington; rather the Indian Reservation outside of Arlington. At this Casino, as Jack says you can eat for only 99 cents. Jack and Bill lost a bundle then all proceed onto the Golden K arriving 10 past 10. Jack, Bill, Del and Jim R. had a good time at this Casino interclub until Jim's cell rang. It was our club Secretary who was waiting at the Kiwanis club of Everett Golden K for the rest of the interclub to show up and make it a legal interclub. No harm done we got there a few bucks lighter but we made it and besides Howard also arrived 10:10 and he only came from Snohomish.

Do you think we should make the dynamic duo permanent co-chairs of the Interclub committee?

RIF seeks help in piloting program

Friday, April 7, 2006 - Kiwanis International Website

Reading Is Fundamental (RIF) is recruiting Kiwanis clubs to pilot a community-reading promotion this spring. Based on the popular "drop everything and read" concept, the "RIF Read-In" is a one-day event that has, at its heart, a 20-minute literacy break for children, families, and community members to read together or alone, aloud or silently, on a day and time selected by the organizing group.

RIF has created an easy-to-use online tool kit to conduct the pilot. If you are interested in testing the "RIF Read-In" with your community, call 202-536-3435 to learn more.

Reading Is Fundamental, a Kiwanis Priority One partner, is the oldest and largest children's and family nonprofit literacy program in the United States.

Skip-A-Meal to save a child

Thursday, April 6, 2006 - Kiwanis International Website

It's time again for the Kiwanis International Foundation's Skip-A-Meal program. Skip-A-Meal is a chance for Kiwanis-family members to help children by missing breakfast, lunch, or dinner and contributing the meal's cost to the foundation instead. The Kiwanis International Foundation uses the money raised to fund grants that help children worldwide.

Over the past several years, the foundation has raised enough funds to, among other things, provide safe surfaces for playgrounds in Louisiana and Ohio, distribute newborn supplies to needy mothers in Utah, and buy ultrasound equipment for a hospital in Madagascar.

This year, the entire Kiwanis family is invited to participate in the Skip-A-Meal program. And participants are encouraged to obtain individual and/or corporate sponsors to boost their Skip-A-Meal fund-raising efforts.

If your club is interested in participating in the Skip-A-Meal program, go to the following on the web <http://kif.kiwanis.org/kif/giving/skip.asp> to register
