Tillicum Honors Middle School Students

June 12, 2006 John Bruce

The Tillicum Kiwanis inaugurated our 'Dux' Award for outstanding Middle School Students this year. Dux is the Latin word meaning 'leader' and is used by some English speaking countries to signify the top student in a graduating class. Our award is given to the eighth grade student who has shown the most improvement, who has accepted a leadership role and who has accepted the responsibility for helping fellow students, all in the current year. These students are selected by their teachers and principals of Centennial and Valley View Middle Schools. The original idea was the brainchild of our President Jim Rahm who assigned Doris Wentworth and David Pesznecker the task of presenting it to those schools and the school district.

Finally, on June 12th, we were able to invite the two winning students along with their family members, school advisors and principals to attend the awards ceremony at our regular Monday morning meeting. Each principal and teacher gave us glowing reports on their respective students. We were impressed by the thoroughness and thought that was put into this project by the schools and it was obvious that these students definitely deserved their awards.

We presented each student, Rich Mock of Centennial and Nick Shissler of Valley View, with a Certificate of Award and a letter of Appreciation with a Fifty Dollar bill in it. They both seemed to appreciate their awards and their families were certainly impressed and we hope it will help them along in the achievement of their education goals. Both of the schools are to be congratulated for their spirit of involvement and their acceptance of our project. All in all it was a very rewarding experience for everyone involved. Thank you, Centennial and Valley View Middle Schools!!

Division Council Meeting at Tillicum

June 15, 2006 John Bruce

Lt Governor Larry Merwin presided over the Division 22 Council Meeting on June 15, 2006. The highlight of the evening and the meeting was the presentation of 50+ Quilts to Larry for the Northwest Burn Center from the various clubs in the division. Check the June issue of the Tabloid for more info on who helped with this very successful project. Larry offered his sincere thanks to Sonia Rahm who has spear-headed this drive from the beginning. Sonia along with Governor Emhoff will be going to the North Bend Burn Center to deliver the quilts .

Division 21 Picnic

June 24, 2006 John Bruce

On June 24th, Jim and Sonia Rahm along with Logan were guests of Char Peiffer at the Division 21 picnic on Camano Island, our webmasters group is coordinating an effort to get that division online. PNW District Governor Steve Emhoff was there and reported that 2000+ quilts are to be donated to various Burn Centers all the way from Northern California to Alaska. As you can see by the photo on the left he was overwhelmed by our very congenial and efficient Public Relations Department. It was a great day!!
