2006 Spaghetti Feed

John Bruce, October 20, 2008

The Annual Kiwanis spaghetti feed conducted jointly by the Tillicum and the Snohomish Kiwanis Clubs was a success again this year. Both clubs want to thank the local residents and the community for their great participation in this event. This year we really appreciated the help from our Snohomish High School Key Club, they did a great job and took a big load off our shoulders, backs, legs and any other body part that always seem to ache after these outings. However, this year we did not serve as many meals as we have in the past and we were all aware that this might happen. Our number one ticket salesman, Dibe Peters, has been confined to a hospital bed and could not participate this year - he usually or I should say, always, provides over 50% of our revenue. So, Dibe, you were sadly missed and we all wish you the best of health and a speedy return to your family and friends. Most of all we really miss your friendly face and greeting as you met us at the door at each of our weekly gatherings, so please hurry up and get well we need someone dependable to collect our doughnut and prize money.

The Langley Ukulele Ensemble at Snohomish High School

John Bruce, October 21, 2008

We were treated to two and a half hours of marvelous playing and singing by 22 kids, ages 13 to 22, and an energetic and exuberant director, Peter Luongo, from just across the border in Langley BC. I was blown away by the professional quality of the group, everything was just so crisp and clear. This group performs up to 80 concerts a year, in Canada, the western US and Hawaii. Their website puts it so - "The Ensemble transforms the energy and talents of young people into music that sparkles and charms audiences of all ages". They were presented by the Rotary Clubs of Snohomish and Monroe and attendance was sadly low because of marketing. It would be a sin to this community if they did not come back again. I recommend that we offer help to the groups involved to make sure this group returns to the city.

Quote of the Day

The people who gave us GOLF and called it a game are the same people who gave us bagpipes and called it music.
