

Helping Hands at the Food Bank

John Bruce, December 22nd, 2006

Once again, on Tuesday and Friday of Christmas week, we had a great turnout of Tillicum members to help hand out food items, ordered specially for the holiday season. We gave out various vegetables, fruits, meat and poultry products. We helped with the regular work that is done to keep everything going and also in processing food donations that were still being delivered right up till after closing on Friday. This project gave us all an idea of how the food flows through the Food Bank and how much work is involved. It also made us thankful for the generosity of people of Snohomish, they truly make it a Community Food Bank. Cam Macrae, the interim director, expressed his gratitude to all of us for our help and told us that his goal had been achieved. That goal was to have as many people as possible leave the Food Bank with a smile on their face - well, there were lots of smiles and words of thanks. In retrospect, it was a very busy and rewarding couple of days for all of us....

Final Meetings of 2006

John Bruce, December 18th, 2006

On December 11th. the Tillicum celebrated Christmas at our regular meeting program. We had a visit from Santa who handed out stockings full of candy and wished us all a Merry Christmas, Ho Ho Ho!! (did you know that we now have our own resident Santa since Brian Brunhaver joined our club). We listened to Christmas music and then everyone took turns in telling of some of their holiday experiences. The last meeting of year was held on the 18th, when we conducted an abbreviated Executive Board meeting after the regular business meeting. The board wanted to give the members a taste of what is currently happening at the meetings.

Santa Claus Pictures

John Bruce, December 23rd, 2006

The Tillicum assisted the Snohomish Kiwanis club with their annual fundraiser of providing pictures taken of children and families with Santa Claus at Top Foods, the Snohomish Chalet and the downtown gazebo. Normally the photo sessions are on the three weekends before Christmas, but this year a whole weekend was lost due to a power outage at the Chalet caused by the December windstorm.

Interclub with the SHS Key Club

John Bruce, December 7th, 2006

On Thursday, December 7th at 7:30AM, four of us hardy souls attended an Interclub with the Snohomish High School Key Club. What a difference - these kids conduct their meeting and take care of business all in the space of 15 minutes. Stacy Brunhaver of the Snohomish club is the Kiwanis advisor.

President's message

From Kiwanis International Website

Take a cup o' kindness for 'days gone by,' then toast the times ahead

'Tis the season to sing Robert Burns' *Auld Lang Syne*, oft associated with a fond reflection of the past and a promise for friends to meet again. Sung traditionally on New Year's Eve and at the conclusion of gatherings, the chorus encourages us to "take a cup of kindness yet for auld lang syne." In other words, to toast the "good old days" or "days gone by."

Nelson Tucker
President
2006-07 Kiwanis International

So, let's raise a glass to Kiwanis, my friends, for we've had some good times, indeed.

During the past 91 years, we've changed from a local men's business networking club to a large-scale, worldwide service-oriented force of men and women focused on helping humankind. We've made a major impact on the world's health through our highly successful fight against iodine deficiency disorders. We've logged millions of hours and raised millions of dollars in the selfless name of children. And we've made many friends—in partner organizations, such as UNICEF, and among one another as brother and sister Kiwanians. A cheer for Kiwanis' past!

And then, let's raise a glass again; this time with a toast to Kiwanis' future.

Let's toast new club ideas that attract new membership demographics: clubs that meet online, club memberships based on common interests and hobbies, clubs for families, clubs built from past Service Leadership Programs' members, clubs built around a cause or a specific need. Let's toast new faces, new nations, new generations, and new cultures—and the limitless service and fundraising we will accomplish together.

Let's raise a glass to 1 million members and the children of the world, who drive our passion to grow stronger in our service. To the lives we will change. To the world that will be a wholly better place because of Kiwanis.

To auld lang syne:

*And there is a hand, my trusty friend! *
And give me a hand of yours!
And we will take a right goodwill drink,
For auld lang syne
And to glorious days yet to come.*

* Final verse translation of *Auld Lang Syne* taken from [The World Burns Club World Federation](#).
