Each student is selected by the teachers and principals of their respective school. In addition to the certificate for their accomplishment, they each receive one hundred dollars to use as they see fit.

The winners for this year are Heather Krauter, Centennial Middle School, Matthew Barnett, Valley View Middle School and Mark Beamish, Freshman Campus.

### Tillicum Kiwanis Induct Glen Greer

John Bruce, June 9, 2008n

Tillicum Kiwanis inducted a member in to the club on June 9th, 2008. Lt Gov Wally Walsh led us through the ceremony with David Pesznecker as the sponsor of our new member Glenn Greer.

David reported that he had met Glenn at a Senior Center exercise class and invited him to our meeting and the rest is history That is living proof that it never hurts to ask someone to come to one of our meetings, our natural charm, fun time, community spirit and the chance to help our kids will keep them with us.

## Special Awards for a very special group of young Adults

Jim Rahm, May 29, 2008

The Kiwanis Club of Snohomish-Tillicum presented its first outstanding service award to a hard working, always willing to help group of students from the Snohomish High School KEY Club on May 29th 2008. The Key club sponsored by The Kiwanis Club of Snohomish, along with teacher advisor Tuck Gionet and their President Robyn Kalina seemed to appear at every service project Snohomish-Tillicum club was involved with and other service functions our members attend. Presenting the award to the Key Club was Snohomish School Board of Education member Jay Hagen along with the Snohomish-Tillicum President John Bruce.

In addition to this award the Kiwanis Club of Snohomish-Tillicum offers six scholarships each year to the Snohomish High School graduating class. Our selection committee always looks at the Key club members as well as other students in the school system. We are proud to say all six scholarships this year went to Key club members and the scholarship committee members asked the Snohomish-Tillicum Board to extend a seventh scholarship to the Snohomish High School KEY Club which was approved unanimously. Congratulations to all the Snohomish High School KEY Club members from the Tillicum we know that with young people of your character the future of our country is in good hands.

## Helping out at the YMCA

John Bruce, June 24, 2008

Somehow or another our expertise at preparing hot dogs must have got out!!! The South East Family YMCA called asking for our help on Thursday June 26th at the groundbreaking ceremony for the expansion and enhancement of their facility on Puget Park Drive in Mill Creek / South Everett. Actually, Chris Kuehnert from that facility had been our guest speaker on May 19th giving us a rundown on all the programs available throughout Snohomish County and had asked if he could call us for help..A group of us went to the facility on that Thursday and helped serve hotdogs etc to a group of about 300 guests and dignitaries. The enhanced YMCA will have 39,000 square-feet of facility space and will become a focal point as a community center for this growing residential area. The expanded facility will include a new indoor aquatics center and multi-purpose activities area. The two existing buildings will also undergo remodeling improvements.

## Salmon BBQ - July 19th and 20th, 2008

John Bruce, June 30th 2008

Please remember to set aside those two days to help make the BBQ a success. This is our major fund raiser and we need every member's participation no matter how small. I can guarantee you a busy and rewarding weekend. And keep selling those tickets to a great community event.

**Did anyone think they would see this?**

The two Club top Super Executives embracing and smiling!?! Just after this photo was taken, Doris Wentworth, (Mother Doris Teresa) knocked Art Poier (the good Reverend Poier) out cold with a left hook as the good Reverend simply asked Doris, "Just what do you really do with all the money?" "I know you don't buy clothes and books for the kids!".
