The Eleventh Annual Lynnwood Kiwanis Foundation Golf Tournament, July 23, 2005 at Nile Country Club:

This year's golf Tournament, as in the past, was under the direction of Mr. Bill Vincent. Bill was assisted by his committee of John Baker, Ron Swengel, Dave Dubois and Larry Merwin. On hand to help with signs, coolers, bbq etc were Kiwanis helpers such as Barry Keating, Jeff Slater, Billie Swengel, Nancy Rasmussen and others, I'm sure I missed. A big thanks goes to Dave who did most of the shopping for food and drink. The annual event was a big success. 60 golfers participated and the event was concluded with a hot dog and bratwurst barbecue and the awarding of prizes to the winners. Net proceeds of the event will go to the Lynnwood Kiwanis Foundation. As of this writing the amount is unknown. Ray Kletke and his team from Snohomish Kiwanis were the winners with a record breaking 54. Ed Mack and his team from EDJ Precision Machine took second and Monroe Kiwanis was third. Dave reports the barbecue went well with the exception of underestimating the hotdog consumption by hungry golfers. Can't wait for next year? Then sign up for the upcoming tournaments at Everett Evergreen and on September 17 at Monroe. See Bill Vincent.

July 14 Meeting News

Announcements included the Division Council for July 21 and Installation Banquet September 23 and an interclub to Mukilteo for July 19. and of course golf July 23. The Lucky Buck went to the Swengels who will decide which of them takes possession. The program for the day was Margaret Lund and Nancy Haugen of Assistance League of Everett. They supply clothing and grooming kits and vouchers for shoes to, in need, children. They also arrange dental services at 50% of cost. Their funds are raised by operating a thrift shop. Their service and fund raising seems much like Kiwanis and they do a great job serving needy children in the community.

Special Meeting of the Board

At a special meeting of the Board called by President John Baker, the Board voted to increase the funds allocated to delegates to District Convention to \$200 for each of three delegates. It was announced that Nancy Rasmussen withdrew as a delegate due to a job obligation so we need a third delegate. The Board also voted to approve the purchase of \$1 million of liability insurance coverage for the period July through November at a cost of \$460. It was also voted to approve the Installation Banquet being held at Embassy Suites September 23 with a charge of \$20 per person. Our President, John and his wife Louise are graciously hosting the cocktail hour at the event.

July 21 Meeting News

Our guests today included scholarship recipient, Rebecca Giventner, recent graduate of LHS and past Key Club President. She brought along her boyfriend Mitchell. Also with us once again was Bob Olsen's caregiver, Karen. Announcements included the Golf Tournament and Division Council and the Installation Banquet. Larry passed out an information sheet relating to the features and benefits of interclubbing. John made another plea for someone to step up to the plate to head up next year's auction. A great team is in place and momentum is on our side but we need one (or two) to spearhead the event. We got \$1 each from Cindy Barber and Bob Zwink for their birthday celebrations. Cindy will spend her birthday in the midst of a three day 60 mile walk for breast cancer. We wish her well. The Lucky Buck remained safely on the dresser of Mr. Ron Swengel. Our program was presented by Edmonds School District Superintendent Mr. Nick Broissant. His talk focused mostly on capital improvements such as a badly needed new Lynnwood High School.

July 28 Meeting News

We had a summer day kind of crowd today. 12 members were on hand. John made one more plea for an Auction Chair. Larry reported that Jay, Bill V., Nancy and Larry made an interclub at Division Council last Thursday. Bill Vincent gave a report on the great golf event. Please see page three for more details. Dave Dubois was the winner of the gold putter in the golf tournament raffle and he made a very generous presentation, giving the putter to Kim Darby because Dave and Billie had seen Kim sink a 30' put. Kim claims "he is not worthy." John passed a sign up sheet for the big social event of the summer to be held at his Camano Island resort compound on August 20. Nancy Rasmussen celebrated her July 28 birthday with a \$4 donation and asked Jay and I to lead the choir in a very special beautiful version of Happy Birthday. I was accused of being an octave low but otherwise it was pretty nice. Among the Happy Buck folks were Kim for his new gold putter, Dave for the great golf tournament, Jay for granddaughter Stacy adopting a new baby boy to be born in August. Other happiness was shared by Cindy for a blister free 60 mile walk for Breast Cancer cure during which she raised \$5800 and from Dave who announced a new (2nd) granddaughter. Last but not least was our weekly joke from Jeff. Ron still holds the Lucky Buck. Our program was an update on technology, call frequency and news from our great hosts, the Lynnwood Fire Department. Bruce Forbes and Greg Mackie presented.

Charter member, By Gourley, suggested that it might be helpful to have a listing of the clubs in our area and where and when they met. As your interclub chairman, I could not help but agree that it was a great idea so I spoke with the newsletter editor to see if it could be done.
