Al Dantico

Good to hear Al is feeling better after being in the hospital with a blood infection and in ICU.

Doug Peterson

We've missed you at the meetings...hope your knee is better.

President's Message

Generosity is giving more than you can,
and pride is taking less than you need.

[Khalil Gibran](#)

Starting a new year typically brings reflection on the events of the past year and renewed hope for the coming new year. Join me in making a Kiwanis resolution for the new year. My hope for our club is for us to continue to grow in membership, serve our community well and respond to those in need of assistance.

During the holidays our club made a significant impact on families who needed support. Thank you to everyone who gave time or donations.

In the coming months we have our biggest challenge and opportunity to raise funds for scholarships through our Pancake Breakfast, Aviation Day, Car Show, and summer Salmon Bake. In order for this to be successful we need everyone to step up and sign up to help.

We also have several service projects to look forward to including cleaning up the Speedway, Cocoon House, the Community Garden, Healthy Kids Day, and National Night Out. These events are important to our community and remind others what an impact Kiwanis has in helping others.

Our Kiwanis Club just keeps getting better with the passing of each year. This is a reflection of the kindness and integrity of our membership. Help us continue to be leaders in the community.

Annie Johnson

Ghanaian Night of Culture: Hugs for Ghana 2nd Annual Fundraising Event

February 24, 5:30 PM - Rosehill Community Center, Mukilteo, WA

Students in *Hugs for Ghana* are currently hard at work planning a Ghanaian Culture Night. This event is a fundraiser for *Hugs for Ghana* which involves the local Mukilteo community, allowing the neighborhood to see what youth are doing to better the world. The purpose of this event is to allow the community to come together and learn about the culture of Ghana. Throughout the night, people will be able to enjoy performances by traditional dancers, drummers, and singers, all while eating a cultural meal. As a fundraiser, tickets will be \$10 per person. This event is great for spending time with family or simply having a good time with friends! Adults, children, and anyone else who would like to attend are all invited. Tickets will be sold before hand and also at the door. All collected money will be going directly to *Hugs for Ghana* in order to ship off all collected supplies as well as to buy medical supplies for hospitals in Ghana.

Ron Johnson presenting award to Meagan

Kiwanis Club of Mukilteo January Student of the Month Meagan Snively

Meagan is a senior at Mariner High School. With a respectable 3.4 GPA Meagan ranks 106th out of a class of 412. She will graduate with three honors or AP classes before graduation.

In addition to her school work Meagan has participated in dance at Mariner for all four years, and has been in the Rhapsody Winterguard and Key Club as a junior and senior. She is also the co-chair of the Graduation Advisory board.

Meagan participates in the community through her work with Youth Action Town, Not for Sale, and for over five years she has worked with the Hands of Hope Food Bank.

In her time at Mariner Meagan has impressed many people with her abilities and attitude. Here is what a few of them have to say about this remarkable young woman.

Meg Troutman, Family and Consumer Sciences Teacher

Meagan is a very respectful and responsible student. She has a big heart and is always willing to help out others.

Suzanne Metzler, History Teacher & Senior Class Advisor

I am very lucky to have Meagan as one of the 2 co-chairs for Graduation Advisory Board this year. Her leadership, organization and enthusiasm have been very helpful in the planning of motivation activities for the Commit to Graduate program. In addition, I have Meagan in my AP Euro class. She shows the same commitment to her education as to GAB. Her cheerfulness, sincere desire to learn, and sense of work ethic all combine to present a young lady that I am always happy to see walking in the door of my classroom.

Anna Huber, Dance Instructor

Meagan is both a servant and a leader in dance. For four years she has poured her heart and her effort into the purpose of this program; her integrity as both an artist and a young woman has influenced her peers positively while in class and her audience powerfully while on stage as her heart shines through her movement. I've loved having her in class and am glad she's being recognized in this way.

Jeffrey Ferderer, English Teacher

Megan is fearless in her approach to life. She celebrates her passions with others as she dances joyfully through her life. I love Megan's honesty and compassion and goodness. Her classmates recognize her compassion and goodness and honesty. She models to all our younger students what it means to be good and kind and to treat all with respect.

Jon Baker, Science Teacher

Meagan expresses a positive, collaborative, and energetic attitude in biotechnology. All this, in a first period class when many of her classmates are still waking up. She is achieving high marks and is a leader in her lab group. She is the kind of student that always contributes to class and is a model for others.

Linda McDonald, Key Club Advisor

Meagan is a true asset to our club. From the first time she came to us last year she has been right at the front of the line to sign up for whatever we're working on. Collecting money for UNICEF, food items for returning vets, coats and blankets for the homeless, or racing through grandstands collecting money for the food bank you can count on seeing Meagan and her smiling face. She has been a great leader by example; we just wish we could clone her.

Membership Committee has recommended the Club promote the Kiwanis Decal Program

Businesses will have a great way to show their community that their business cares about children and youth by displaying a Kiwanis Decal.

For more information contact: Dave Jones or Marc Greenhouse.

KIWANIS PARTNERSHIP PROGRAM

A great way to show your community that your business cares about children and youth with your partnership with Kiwanis

Your partnership contribution of \$100 or more shows your commitment in your community and associates yourself with the good name of Kiwanis - a global community service organization that is dedicated to making a difference in the lives of children in your community.

Included with every partnership is a subscription to the PNW Builder magazine, which illustrates just some of the great projects that Kiwanis clubs are doing for children, youth, families, and communities throughout the Pacific Northwest. For instance, the Kiwanis Children's Cancer Program which funds children's cancer research in the Pacific Northwest's nationally acclaimed research hospitals. The decal above can be displayed to show your clients and customers you have chosen to partner with Kiwanis and take an active part in the community.

Have you invited someone to Kiwanis lately?
