President's Message

General Aviation Day was very successful thanks to the Kiwanis members who were able to volunteer their time, energy and good will! A special thanks to Doug Petersen for coordinating this activity.

If you didn't have a chance to join us for GA Day, there are two opportunities to volunteer in the month of June for Kiwanis Service Projects.

On Saturday, June 16th a group of Kiwanis members will be heading up to Camp Killoqua to help build a Gaga Dodge Ball Pit for children to play dodge ball. If you like to build things and enjoy the outdoors, please join us! Steve Conklé will be coordinating this activity. On Sunday, June 24th the club will be serving hot dogs at the Mukilteo Chamber Car Show. If everyone signs up to help for just a few hours we can work together to make this a fun and easy fund raising event.

Don't forget to mark your calendar for July 19th and join us for our summer barbeque at Lighthouse Park. More details to come soon.

Kiwanis Club of Mukilteo May Student of the Month

Ashley Alday

Ashley is a senior at Mariner High School. Her 3.6 GPA ranks her 31st out of a class of 386. In her time at Mariner she has attended six AP or Honors classes. She has been a member of the National Honor Society and the Key Club for the last two years. And this year she has co-chaired the Graduation Advisory Board.

In addition to serving her school Ashley has served her community by providing child care for the Hands of Hope Food Bank, and volunteering the last two years with Special Olympics and the last year with the Youth Action Team.

Here is what some of her teachers and advisors have to say about this young woman.

Kerry Lamus, Math Teacher

Ashley is a strong student and a delightful young lady. She is accountable for learning the material, hard-working, and has a subtle and quick mind. Besides being a good student, she is a delight to be around as she is well-liked by all. I am glad she is in my pre-calculus class.

Sue Metzler, Senior Class Adviser

Ashley is a dedicated student and cares about others. As Co-chair of the Graduation Advisory Board, she has kept things organized this year, plus she has breathed new life into GAB with innovative ideas.

Sarah McCoy, Family and Consumer Science

Ashley has a positive, outgoing and strong leader. She comes to class prepared and always has a great smile on her face. She is definitely someone with a bright future ahead!

Carolyn Rudio, Special Education / Life Skill Teacher

Ashley is a peer tutor in the Life Skills I classroom. She is sensitive to the needs and feelings of others and is dedicated to working with the special needs students. She is caring and respectful and interacts with all students regardless of their handicapping conditions. Ashley has had a positive impact on the students she has worked with and has modeled appropriate behavior and interaction with special needs students for other peer tutors. Ashley is well mannered and courteous and a pleasure to have in class.

Linda McDonald, Key Club Advisor

What a joy it's been having Ashley at our meetings and helping at our various functions throughout the year. We can always count on this go-getter to be first to a sign-up sheet or the one who picks up the slack for fellow club members who might not always be available. She brings a wonderful energy, always with a smile and always ready to help. As this year winds down I am saddened to realize our club is losing a great contributor, but I'm sure Ashley will continue to serve well beyond her high school years. And yes Ashley, you're my favorite!

Letter from the Editor

It has been my pleasure to be able to highlight the accomplishments and activities of the Kiwanis Club of Mukilteo.

I couldn't believe it when I checked my computer files and found that I have been Editor and PR Chair for the Club since 2002 – the ten years have flown by.

I'm excited to have so many great people join the club with new ideas and talents to share. Our club will continue to prosper with all the new blood.

This is a good time for me to step down and pass the baton to your next PR Chair.

Time to spend more time with our grandchildren and using our talents for their needs...I love to sew too.

Thank you for allowing me the opportunity to serve our Club in this capacity.

Sincerely,

Darlene Conkle
