President's Message

As winter draws to a close and springtime brings the hope of warm weather and exciting events, we have much to look forward to in the coming months! In just a few weeks we will host our Kiwanis Pancake Breakfast on March 10th. Thank you to all of our members who have contributed countless hours of work to ensure that we have a successful event including securing donations and raffle items, advertising, and completing the checklist of details. This is an event that provides family fun, honors our Mukilteo music students and gathers community members together for friendship and a meal.

In addition, several other Kiwanis events are just around the corner...in the spring General Aviation Day, work day at Camp Killoqua and Mukilteo Community Garden, Healthy Kids Day; and just following, Mukilteo Chamber Car Show in June and National Night Out in August. Watch for details on these upcoming activities to learn how you can become involved and support our Kiwanis Club and community.

Don't forget to join us for our weekly meetings and listen to informational speakers and reconnect with our members!

Chief for A Day is about celebrating the lives of children who have been diagnosed with chronic or life threatening illness.

Message from MCG Committee Chair Lynette Gardiner

Today was very busy in our garden. We had our first major clean up and had about 20 people helping us out. We, as a board, have decided to award two scholarships allowing two of our smaller beds to be taken care of by Little Orca Day Care and a Daisy Girl Scout troop. These beds will be used to teach the children to grow some of the easier vegetables for our Mukilteo Food Bank. Candy Duran, owner of the pre-school, is an avid gardener whose passion is to teach her kids where their food comes from. The Girl Scout leader worked with her kids last year in our garden, and is excited to do it again. Next Saturday, March 3, will be our sign up meeting for returning and new bed owners. If anyone from Kiwanis is interested in renting a bed for 2012 growing season, please come to the Mukilteo Chamber of Commerce office on March between 9:30-11:30 AM. We now have a retired grant writer on our board. She is very busy looking for grant possibilities so that we will be able to replace our large tent that was severely damaged by our wind storm in January. We taught our Saturday School classes underneath that structure. Saturday School will reconvene on March 10 at 9:00AM. The classes are free and everyone is invited to attend. See you in the garden. Lynette

Scholarship Committee Report

The scholarship committee has made their plans for the remainder of the school year. Ron Johnson has revised the applications and I have taken them out to the four high schools that we support with our scholarships. The deadline for turning them in is **April 12, 2012**.

If you know any seniors that might want to apply, tell them that the "career centers" have the applications or that they are online.

While visiting Mariner High School, Andrea Main in the "career center" said that our scholarships really help students to get a higher education. She said that it often makes the difference between going to college or not going!

We can all be proud of our efforts in Kiwanis fund raising by knowing that we are making a difference!

Thanks,
Tom Nielsen
