President's Message

“ I am still determined to be cheerful and happy, in whatever situation I may be; for I have also learned from experience that the greater part of our happiness or misery depends upon our dispositions, and not our circumstances.”
Martha Washington

This past week, we heard from our speaker Bruce Raine about the importance of having a positive attitude and how our attitude can determine our destiny. I was thankful for the reminder that in the course of each and every day good things will happen and bad things will happen. Each day we need to celebrate and be thankful for all of the good things that we have in life. When bad things happen we need to remain positive and kind because our anger and negative thoughts only make the problem worse.

I am so very thankful for the opportunity to work with such wonderful people as our Kiwanis Members! While the coordination of activities or events can at times be frustrating or time consuming, I remind myself of the joy and pride I feel in helping others and recognize that it takes all of us working together positively to realize the successful, powerful service that we provide to our community. I gain inspiration from all of you who put in countless hours of service and graciously give to others.

We have many exciting speakers for our upcoming events and summer opportunities to provide service. Bring a friend to one of our meetings and let them see how much fun we have together! Mark your calendar to support General Aviation Day on May 19th.

Thanks for all you do for Kiwanis and our community. Remember, be patient, positive and always look for the bright side of things.

Annie Johnson

Kiwanis Club of Mukilteo April Student of the Month

Hyoeyun Kim

Ron Johnson awarded Hyoeyun Kim, a junior at Kamiak High School, the April Student of the Month Award. Hyoeyun has been an active Key Club member since her freshman year. As a leader, her peers elected her as the Key Club 2011-2012 Treasurer, and as next year's President. She has been involved in many of the Key Club activities; Kiwanis Salmon Bake, Christmas House, Serene Lake Carnival and Book Buddies.

Hyoeyun has taken 12 Honors and/or AP classes thus far, and is projecting to have completed 18 by graduation. As a result of her high academic performance, she is a member of the National Honors Society and is an AP Scholar with Honor.

This is why Inoue Yoshitaka, Kamiak Japanese teacher says, "Hyoeyun has been one of my best students in my whole Kamiak career. She is always cheerful and a fun-loving person."

Julie Russell, English III AP added, "Always focused, engaged. She is consistently positive and helpful. Frequently stays after class to continue a conversation. Seems genuinely concerned about other."

Hyoeyun was the founder and past president of Tri-M Music Honor Society, and was a member of Link Crew this past year. She has also been very active in debate for three years where she qualified for the state debate team and was a JV quarter finalist at UC Berkeley. This year she received lettering for Superior Distinction.

Outside the classroom Hyoeyun has played tennis where she was awarded most improved. She has been a music tutor/mentor at Harbour Pointe Middle School. During the summers she likes to be a book buddy at the library and also is a crew leader for Vacation Bible School. For two hours each week for two years she volunteered at Prestige Care of Edmonds.

Hyoeyun's joyful personality makes those that work with her smile and enjoy themselves. The Kamiak Key Club and Mukilteo community are in good hands next year with a leader such as Hyoeyun guiding the way.
