## **The President’s Corner**

It was great to see everyone last week at our meeting. We have a lot of interclub opportunities this month so please join us for a meeting if you can! Just want to let everyone know that we will be having a activities meeting on the 24th of February at Alf's at noon to go over all of this years activities that we are going to be involved in, if you want us to participate in a certain event you need to be there to make it known. We have a lot of activities and a limited budget so there maybe some items that we have to cut back on this year, either way you all should be there. I appreciate everyone's willingness to serve this club and this community!

**Snohomish Food Bank ~ Easter Request**

"The Food bank has asked our Kiwanis Club to collect canned green beans for Easter and we accepted the challenge to deliver 325 cans prior to Easter. To meet our goal we need to start now! We did an excellent job at Thanksgiving and Christmas delivering the Food Bank's request, and I know we can do it one more time.

Thank you all!

**Aaron Hammer, President 2010 – 2011**
