NOTICE: Div. 22 Council meeting has been cancelled for Wed. , Jan.19th

The Division 22 Council Meeting scheduled for this Thursday January 19 has been cancelled our Division Council Meeting will be rescheduled for Wed. , Jan 25th , 7 PM @ Walsh's Pavilion. Please make every effort to have your KCCP chairs attend.

Jim Garcia, Lt. Gov. Div. 22

Happy New Year. Division 22 will hold a Divisional Council Meeting Thursday, January 25th 7PM at Walsh's Pavilion, 1711 Terrace Ave. Snohomish, WA 98291. The meeting is open to all interested parties. We will be the host Club and it would be great if members who have never attended a Divisional meeting be there. It is a chance to see what is happening outside our world and be involved in a Divisional effort.

We will have **Pamela Smith**, PNW District Chair for the Governor's KIWANIS CHILDREN'S CANCER PROJECT and past Lt. Governor Division 32 – Auburn, as our guest speaker.

February will be Childhood Cancer Awareness Month. Without awareness, there is no money for research, without research; there is no money to find a CURE. Pediatric cancer receives less than 2% of federal funding. Cancer is the #1 cause of death for children under the age of 15. Today in the United States alone, 36 children

were diagnosed with cancer and 7 children lost their battle. On a worldwide level, every 3 minutes a child gets diagnosed with cancer.

Please make every effort to attend. They will personally experience a Kiwanis moment and be motivated to make a difference with children who have cancer. Please join the fight to advocate and create awareness for the warriors of childhood cancer. Together we will spread smiles, create hope and find the cure.

See you Thursday!!

Jim Garcia, Lt Governor Division 22
