### THE OTHER "KOY":

President Clayne presenting Scott with KOY award.

FINALLY...we were so pleased to present Scott Phariss, our "other" Kiwanian of the Year, his well deserved plaque. This award is in recognition of his work to set up and run the satellite club meeting (see meeting notice) for those Kiwanians, and potential members, that can not make our regularly scheduled meetings AND for his leadership and work on the Kiwanis bicycle safety helmet program. Scott and the Tuesday crew have taken on this important program and are now looking at how to expand our service area to provide protection for our youth.

We are pleased that Scott is also a charter board member of our newly approved Kiwanis Club of Edmonds Charitable Foundation. His enthusiasm and motivation to serve the community will be a real asset.

Congratulations Scott...Your service is much appreciated.

### CHASE LAKE "THANK YOU":

"Kiwanis of Edmonds, I just wanted to show all of you what your \$200 Donation, last spring, did for us. I was able to purchase 7 (yes, seven!) wheeled backpacks with your \$200!

Thank you so much!! These will definitely be used a lot this year."

## New Member of Kiwanis:

Service with a smile!!!

We welcome Maura Parkhurst to the Kiwanis Club of Edmonds. Maura is the Family Program Director at the Dale Turner YMCA...and has already started assisting on several of our projects. For those of you that have not met Maura, the below provides a few insights into our new team mate. Welcome Maura!!!

-----  
Here is a little bio about myself:

“My name is Maura Parkhurst, I was born in Auburn, Indiana but grew up in sunny Palm Desert, California. Once I graduated High School, a friend and I moved up to Seattle to attend college. I started at Shoreline Community College but graduated with my Bachelors Degree in Psychology from Western Washington University.

I started my career with the Shoreline YMCA in 2000 as Child Care Director and have been in my current position as a Family Programs Director since Shoreline opened its new branch, the Dale Turner Family YMCA in 2008.

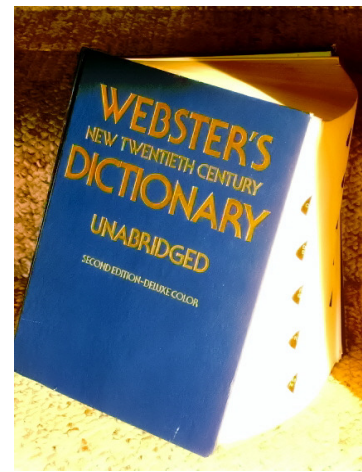

My job as a Family Programs Director is all about getting families connected not only to the YMCA, but to each other and their community.

I believe that being a member in the Edmonds Kiwanis Club, will help further my connection to the community and allow me the opportunity to help support it in any way that I can..

I am looking forward to being a part of this organization because I believe that it makes such an important impact to its community.”

**Key Club's History**

The first Key Club formed in 1925 in Sacramento, California with 11 charter members. Key Club was the idea of two Sacramento Kiwanis club members, Albert C. Olney and Frank C. Vincent, who also were high school administrators. They approached their Kiwanis club with the idea of starting a junior service club in the high school. It would resemble Kiwanis, have its own classifications based on school interests and hold luncheon meetings.

The club was comprised of the key boys in the school, willing to serve the school in any way possible and to create better school spirit. Thus, the club was dubbed Key Club.

Soon, the club that started out as a vocational guidance program expanded to become a complete service organization for the whole school. It also offered a social aspect to balance its service activities.

Today, Key Club is the oldest and largest service program for high school students in the world. It has more than 250,000 members in 5,000 clubs in 30 countries.

**The Kiwanis Key Club members of Edmonds - Woodway and Meadowdale are carrying on the long tradition of starting a life of service to better the communities they live in.**

**FUNDING OPPORTUNITIES:**

As you may recall, each year we offer the Entertainment Book and cans of mixed nuts not only for our "pleasure", but as a way of raising funds for our projects.

You all know about the myriad of benefits and cost savings with the Entertainment Books (Seattle area and the North Sound area). Having a book in your glove compartment allows you to do some spontaneous fun things at a reduced price.....ALSO, the books make great gifts for family and friends.

NUTS??? These cans of mixed nuts (no peanuts), are fantastic. They taste great and are so so good for you. What a combo!!! A number of members, from our division clubs, always purchase these nuts for holiday gifts, though we suspect some of the cans don't make it out of their stash ☺.

**Please see Duane Penning to purchase these items.**

**KIWANIS CHILDRENS CANCER PROGRAM**

Talking about "funding opportunities"; members of Kiwanis are urged to support Seattle Children's Hospital in their efforts to raise funds for research and to increase public awareness of the devastating effects this disease has on children and their families.

Currently, pediatric cancer is the leading cause of death by disease among America's children ages one through 15. Each year more than 14,000 children and teenagers in North America are diagnosed with cancer, four thousand of which will die as a result.

Everyday 46 school children are diagnosed with a form of pediatric cancer and 80% of those diagnosed are already in stage 3 or 4 of the disease. This is not the kind of world we want for our children.

The causes of cancer in children are largely unknown and currently less than 3 percent of all cancer research money raised goes to childhood cancer research. The Kiwanis will be holding several events throughout the year to raise money and awareness for children battling cancer.

If you can help in any way, please make your check out to the Kiwanis Club of Edmonds Charitable Foundation, designating funds for KCCP. Let's make a difference in a child's life.

"Creating thriving communities"

The Kiwanis Club of Edmonds is a member of Kiwanis International, an international, coeducational service club founded in 1915, headquartered in Indianapolis, Indiana.

Current membership is 240,000 members in 7,700 clubs in 80 countries. The average age is 57, with membership being 74% men and 26% women.

The name "Kiwanis" was coined from an Otchipew American Indian expression, "Nunc Kee-wanis", variously translated as "we trade," "we share our talents," "we make a noise," or "we meet." The organization's founders translated it as "We build," which became the original motto of Kiwanis.

**Our current motto is**

**"Serving the Children of the World".**

Interested in service and improving the lives of the children of the area? Please consider joining the Kiwanis Club of Edmonds. We meet every Tuesday, at noon, at the Pancake Haus. We also have a monthly satellite meeting, the first Tuesday of the month, at the Shoreline Windermere office.
