**School Supplies for Chase Lake Elementary**

Once again, thanks to the generosity of our members, we were able to help provide school supplies to those in need attending Chase Lake Elementary school. The above picture shows some of the items purchased...Thanks to all of you that were involved in this program.

The above banner patch just arrived....in recognition of all our efforts in the 2011-12 Kiwanis year. While awards like this are appreciated, the real rewarding moment is seeing the thankful and smiling faces of those children we serve.

As our next Kiwanis year starts this month, let's refocus, recharge and recommit to doing as much good in the community as we can.

## WHO NEEDS A DICTIONARY???

Who needs a dictionary? Well, most people do....and to start off the process of learning about this valuable tool, every 3<sup>rd</sup> grader in Edmonds will once again receive one from Kiwanis. This is an event that the children anxiously await...getting their very own dictionary!!! Based on interviews with educators, they too are excited about getting dictionaries for their students.

This year's head count is a just over 400. If you enjoy seeing excited and grateful children...please join Ted and others in handing out dictionaries to the children of our community. **STANDBY for schedule info.**

### 2013-14 CLUB OFFICERS & BOARD:

Old Pres John

New Prez Ray

Another "Kiwanis Year" starts this month. This means that the leadership of the club has changed. Mr. Rutter moves to a well deserved respite as "past president" and Mr. Ault takes the reins, steering the club to another successful year.

At this point, we thank John for his hard work and strong leadership in moving us forward. His work on membership, club bylaws, a new time and venue, involvement with the Tuesday Crew, striving for more project participation by his personal example and leading the board and club, are hard to quantify. He has set a new standard.

It is also important, at this juncture, to step up once again and support our new president Ray. Without the help and support of the members, it is not possible to achieve our mission.

So, as we enter this new year, let's commit to making this the best year ever, doing each task with excellence and a cheerful and supportive spirit.

### Here is the leadership team for 2013-14:

<b>President:</b>	<b>Ray Ault</b>
Pres. Elect:	Harold Huston
V.Pres.:	George Murray
Secretary:	Paul Jacobson
Treasurer:	Billy Joe Roberts
Past Pres.:	John Rutter
Board:	Juliana Van Buskirk
Board:	Mary Lou Kantor
Board:	Duane Penning
Board:	Dick Cassutt*
Board:	Clayne Leitner*
Board:	Shirley Elliot*
Board:	Maura Parkhurst*

(\* = two year term)

## **IT'S OUR LANGUAGE!!!**

### Easy to Learn???

### The English Plural

We'll begin with a box, and the plural is boxes,  
But the plural of ox becomes oxen, not oxes.  
One fowl is a goose, but two are called geese,  
Yet the plural of moose should never be meese.  
You may find a lone mouse or a nest full of mice,  
Yet the plural of house is houses, not hice.

If the plural of man is always called men,  
Why shouldn't the plural of pan be called pen?  
If I speak of my foot and show you my feet,  
And I give you a boot, would a pair be called beet?  
If one is a tooth and a whole set are teeth,  
Why shouldn't the plural of booth be called beeth?

Then one may be that, and there would be those,  
Yet hat in the plural would never be hose,  
And the plural of cat is cats, not cose.  
We speak of a brother and also of brethren,  
But though we say mother, we never say methren.  
Then the masculine pronouns are he, his and him,  
But imagine the feminine: she, shis and shim!

*So, the next time you find it "amusing" how those  
new to our country speak English,  
Please stand ready with your explanation ☺.*

### ANNUAL DUES DUE!!!

Just a friendly reminder that your dues for 2013-14 are now required. Dues can be paid in full, \$120, or in quarterly installments. (\$30 for quarter or \$60 for ½ year.)

Please bring your check to the next meeting....as we need to send off club payments to Kiwanis International. Thanks....

Our Division was also recognized....due to the coordinated efforts of all our clubs and the strong and energetic leadership of Lt. Governor Jim Garcia. Building on our success will be key in the coming year...supporting our new Lt. Governor, Gary Wolfe, is essential.

**Let's show our community that service to others is fun and rewarding.**

**MARK YOUR CALENDARS....Our annual crab feed is set for Saturday, January 25<sup>th</sup>, at the Northshore Senior Center.**

The team leaders are dusting off the plans and getting ready to start up the process for our largest fund raiser. As in the past, we will rely heavily on friends and family to assist. So please, let them know we look forward to their help once again....with grateful hearts.

PS: Word is that the "clean up" portion of the event will be handled by Northshore. This is a great disappointment to those of us that stick around every year until midnight. Somehow, we will work through this loss ☺.

**KIWANIS CHILDREN'S CANCER PROGRAM**

(a note from Lt. Governor Jim Garcia)

**Wow!** Your Kiwanis Clubs did it again. It is amazing what can be done when we all unite for a common cause. Cancer impacts our family, our neighbor, our community, out State, our Nation and the world. We are on our way to have a world free of childhood cancer. Thank you for serving the children of the world.

(Here's a portion of a recent press release on KCCP.)

**Seattle, WA – September 13, 2013 - September is Childhood Cancer Awareness Month.** The Kiwanis Children's Cancer Program Seattle (KCCP/Seattle) which supports Seattle Children's Pediatric Hematology/Oncology Fellowship Program presented a check for \$80,000, to Children's on September 12th, at their annual banquet in Kent, WA. The money will fund one of three years for a single fellowship.

The banquet also paid tribute to the families, professionals, and communities who lend their strength to children fighting pediatric cancer. Dr. Julie Park, Director of the Pediatric Hematology/Oncology Program and Kira Haller, Manager Corporate Annual Giving were present to receive the donation.

Seattle Children's, the University of Washington Medical Center and Fred Hutchinson Cancer Research Center are each world leaders in their own right in pediatric cancer research. The combination of these three institutions is quite powerful. Their research activities encompass internationally recognized programs which have been responsible for the development of widely used clinical treatments. The Kiwanis Children Cancer Program Seattle is proud to support such quality institutes in finding the cure of childhood cancer.
