OSPREY CAMP

AT CAMP SOLOMON SCHECHTER

OSPREY Camp began over 40 years ago when environmental education became a focus in elementary schools in the Pacific Northwest. The program is designed to provide students a powerful application of science concepts as they live and learn in the outdoors. It continues to evolve and improve, adjusting to reflect changes in scientific understanding and school requirements. Our lessons are aligned with the Common Core and Next Generation Science Standards. At OSPREY Camp, students learn hands-on science in an outdoor school!

The social development aspects of OSPREY Camp set it apart from similar programs. Students unplug and take a break from cell phones, computers and electronic games to focus on relationships with peers, mentors, teachers and even themselves. Outside of class, students enjoy structured down-time, including skits, songs and team-building activities. The theme of “ is woven throughout all aspects of camp, encouraging students to be their best selves. Countless friendships have started at OSPREY Camp.

Camp Solomon Schechter, the home of OSPREY Camp, is minutes from I-5, near Olympia. This beautiful locale provides opportunities to hike through and learn about the 180 acres of varied ecosystems. Students challenge themselves physically, while developing an appreciation for our natural environment, transforming them into environmental stewards of the future.

2016 Edmonds Citizen of the Year nominations now being sought. Too often, people give of themselves to the community with little or no recognition. They almost never want notice but they certainly deserve it. That's why we have the Edmonds Citizen of the Year award. Sponsored by the Edmonds Kiwanis Club in collaboration with the Edmonds Chamber of Commerce, the annual event fetes those citizens who have worked to make this community special.

Now in it's 23rd year The Edmonds Kiwanis Citizen of the Year award has continued to gain momentum and something citizens look forward to every year. The intent of the award is to honor an individual or group whose service to the Edmonds Community warrants appreciation and gratitude. The Edmonds Floretum Garden Club was the 2015 recipient for bringing lots of beauty and color to Edmonds.

The process begins with you, the citizens to bring attention to worthy candidates. You can do that simply by filling out the nomination form in this issue of the Beacon or pick one up at the Edmonds Chamber office or on line at edmondswa.com. Submit your nomination forms by Friday May 6th to Edmonds Kiwanis P.O. Box 221 Edmonds WA 98020.

This year's winner will be introduced at the May 26th Edmonds Chamber of Commerce luncheon and profiled in the Beacon. Nominations are requested for individuals or groups in Edmonds. CAN YOU HEAR ME NOW???

An elderly gentleman had serious hearing problems for a number of years. He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100%

The elderly gentleman went back in a month to the doctor and the doctor said, 'Your hearing is perfect.. Your family must be really pleased that you can hear again.'

The gentleman replied, 'Oh, I haven't told my family yet. I just sit around and listen to the conversations. I've changed my will three times!'
