

"TIDAL TALES"

"Changing the world, one child and community at a time."

May, 2011

Annual Business Meeting:

Our annual meeting is scheduled for May 10th. At this meeting we will elect new board members and a new vice president for the coming year (Oct. 2011-Sept. 2012)

In order to keep our club moving forward, it is important that service minded people step up and volunteer to assist with club business via the board. The nominating committee, Clayne, John, Mary Lou and Paul, is pulling together a slate of candidates.

If you are interested in board activities and willing to make the time commitment, please talk to one of the current board members. Please note: You must be present to vote. Floor nominations will be taken on May 3rd.

Kiwanis Scholarship Awards:

The scholarship committee (Elwin, George, Dexter) has reviewed the applications and has made the selections for our 2011 Kiwanis Club of Edmonds Scholarship winners. There were many worthy applicants; in fact we had 22 students apply. The students that were selected were:

- | | |
|---------------------------|----------------------|
| Edmonds - Woodway: | Jenna Tony |
| Meadowdale: | Michael Kreft |
| Scriber Lake: | Alexis Archer |

Congratulations to these community minded and worthy scholars, each receiving a \$1,000 scholarship for continuing their education. We also wish the best to the others that applied....it was an amazing group of young people.

PROTECTING THE "BRAIN BOX" :

Bicycle Helmet program leader, Scott Phariss, working with Chase Lake and College Place Elementary schools, has established a new bench mark. A total of 229 helmets will be provided to students at these two schools in our continuing effort to reduce traumatic brain injury in young people.

A work party, at Jim's place, will be scheduled following the arrival of the helmets. Distribution will follow quickly as it is important to make this "protection" available now that the bicycle weather is here. More to follow....

MEMORIAL DAY: May 30th

Lest we forget.

Memorial Day 2011 is a United States federal holiday observed on the last Monday of May (May 30 in 2011). Formerly known as Decoration Day, it commemorates U.S. soldiers who died while in the military service. First enacted to honor Union soldiers of the American Civil War. It was extended after World War I to honor Americans who have died in all wars.

Begun as a ritual of remembrance and reconciliation after the Civil War, by the early 20th century, Memorial Day was an occasion for more general expressions of memory, as ordinary people visited the graves of their deceased relatives, whether they had served in the military or not.

For many people, this is just another holiday, but let us recall the intent of this day...and remember those that have given their all for their country; especially those families in recent years, still aching from their loss.

RICHMOND REHAB Continues Support:

Richmond Beach Rehab has once again made the decision to support our club by renewing their ad in Tidal Tales. It is always encouraging to know that there are organizations willing to help with community service in addition to dealing with their day to day business. These are the kinds of establishments that we should support. The below information briefly describes this wonderful organization and their mission in the community. We have several members that highly recommend Richmond Rehab.

A Charming Place among Washington Nursing Homes, Richmond Beach Rehab is a charming and bright place for you or your loved one to recover from illness or injury. This facility is in a quiet residential community near Puget Sound in North Seattle. Sounds of nature are present, along with the sounds of many "helping hands" providing comforting care to residents.

The 140-bed nursing home provides short-term therapeutic rehabilitation, outpatient therapy and respite care—as well as, long-term care; all the services that are vital for one to heal, regain strength, and improve their overall well being.

Richmond Beach Rehabilitation Center has proudly supported the community since 1994. Their building has many amenities including two large courtyards where residents can enjoy a breath of fresh air.

Need more information? Contact them or stop by for personal tour of the facility. (see back page for contact info).

(NOTE: Richmond Beach Rehab is both licensed and Medicare/Medicaid certified.)

MOTHER'S DAY:

Remember that May 8th is a time for celebration of mother's in America. Many of us have lost our mother's but we can still recognize and do something special for the mother of our children. May God bless our mothers.
